

Complete User Guide - EduTrack

COMPLETE USER GUIDE - EDUTRACK

This manual describes step-by-step how to use all the features of EduTrack.

1. The Dashboard

Once logged in, the dashboard presents your key indicators (students, payments, absences). Use the left menu to navigate.

2. Staff Management (Administrative, Teachers, Support)

Add administrative staff :

- 1. Go to "Administration" > "Users" and click "Add a User".
- 2. Fill in Name, Email and choose the Role (DIRECTOR, CENSEUR, INTENDANT).
- 3. Save. The user will receive their credentials.

Add teachers :

- 1. Go to "Pedagogy" > "Teachers" > "Add a teacher".
- 2. Fill in details and assign classes and subjects.

Add support staff :

- 1. With the Bursar account, go to "Human Resources" > "Employees" > "New Contract".
- 2. Enter the position and salary, then validate.

3. Student Management

Add a student individually :

- 1. Go to "Administration" > "Students" > "Add a student".
- 2. Fill out the full form (Name, Date of Birth, Class) and validate.

Add students via Excel file :

- 1. In "Students", click "Import Excel".
- 2. Download the template, fill it out, and import it.

4. Parent Management

Link a parent to a student :

- 1. Go to "Administration" > "Parents". Add or select a parent.
- 2. Click "Link a child", search for the student and validate.

5. Discipline and Absences (Censeur)

Add a sanction or justify an absence :

- 1. Go to "Schooling" > "Discipline".
- 2. To sanction: Search for the student, click "Add a sanction" (e.g., Warning, Exclusion).
- 3. To justify: Select the unexcused absence, click "Justify" and add the reason.

6. Timetable Management (Director / Censeur)

Create the timetable :

- 1. Go to "Pedagogy" > "Timetable".
- 2. Select the class. Click on an empty time slot.
- 3. Assign the subject and teacher, then save.

7. Library Management (Censeur)

Add and lend books :

- 1. Go to "Resources" > "Library".
- 2. To add a book: Click "Add a book", scan ISBN or fill the fields.
- 3. To lend: Click "Borrow", select the book and student. The return date is calculated.
- 4. To return: Click the borrowed book and validate "Mark as returned".

8. Pedagogy and Grades

Class roll call and Grade entry :

- 1. Roll call: Teacher clicks their current class, unchecks absent students and validates.

- 2. Grades: Go to "Pedagogy" > "Evaluations", choose class, enter grades and click "Publish".

9. Accounting and OHADA Plan (Bursar)

Payments and OHADA Balance :

- 1. Payment: "Finances" > "Payments", choose student, installment and validate. Receipt is generated.
- 2. Balance: "Accounting" > "Reports", click "Trial Balance" to view and export as PDF.

10. Human Resources (Bursar)

Salary advances and Payslips :

- 1. Advance: Go to "HR" > "Advances", select employee, enter amount. It will be deducted from salary.
- 2. Payslip: Go to "HR" > "Payslips", select month and click "Generate payslips". They include absences and advances.

11. Official Documents

Generate IDs and Certificates :

- 1. Go to "Schooling" > "Documents".
- 2. Select the class or student, choose the document type (Student ID, Enrollment Certificate).
- 3. Click "Generate PDF" for printing.

12. Internal Messaging

Send a message :

- 1. Use the "Message" button at the top right (or on a user profile).
- 2. Write the message that will be sent to the recipient's EduTrack portal.
